

Trencher Operator Trainee

Location: Nationwide Travel (Predominantly in Texas)

Pay: Average of \$65k - \$75k/Year (Based on working schedule)

HL Chapman Pipeline Construction is the leader in trenching for utilities and Oil & Gas as well as mass rock excavation.

HL Chapman is seeking highly motivated and energetic self-starters looking to be an operator trainee for various trenchers of all sizes. A trainee assists in keeping the machine operating by doing layout work in front of the machine, helping with maintenance and quality control checks throughout the day. There is the opportunity for growth with motivated individuals that are looking to advance in their careers. (Valid DL is required).

Responsibilities:

Under direction of the operator, you will provide support in trenching tasks such as setting line up rods, opening gaps, assist with servicing the trencher (fueling, blowing out filters), changing teeth as needed and being the ground lookout for potential hazards along with checking trench depths, etc.

Note that this position is a FIELD position, which includes working outdoors and in the elements. Our preferred candidate is not deterred by those factors.

Prior Experience is NOT REQUIRED

HL Chapman offers competitive wages (pay based on experience), company paid health insurance, dental, and vision. 401K (with matching), and paid vacation. Applications can be found at www.hlchapman.com (under careers tab). Please submit one of the following ways; Email – office@hlchapman.com , Fax: 512-259-7870, or in person at 9250 FM 2243 Leander, TX 78641

HL Chapman is an equal opportunity employer and will base any decision or offer without regard to race, religion, sex, color, national origin, age or disability.

Job Type: Full-time (10-hour shifts)
